Additional Costs

Fuel and propane is the expense of the charterer and must be paid at the end of your vacation (average cost \$150/week). All rentals include one 14' aluminum fishing boat (motor extra). The 14' fishing boat may be upgraded to a 16' LUND – \$50/week \$10/day, depending on availability.

There is a \$75 **pet surcharge** per pet.

For safety reasons we require that the **fishing boat has a motor** - 20HP minimum on 49', 49SL 58' and 68' and 15HP minimum on 40' and 44'. The charterer may bring his own or rent one from us. You may also tow your own personal boat and motor, if you prefer. The reason for the extra boat is that in the event of an emergency you have the ability to do something about it immediately.

Note: having an extra boat along also makes exploring, fishing and touring more enjoyable!

If you are planning to bear hunt during your trip there will be a Hunting Services Charge (for baiting) per hunter of \$360 CDN / \$360 USD (minimum charge \$1300 CDN.)

Cleaning - All houseboats are supplied clean and must be returned clean. An extra charge will be applied for houseboats returned unclean. Those charges will be: 40 ft \$125; 44 ft \$175; 49 ft \$200; 49SL \$200; 58 ft \$275; 68 ft \$350.
