Lake of the Woods

experience your own houseboat adventure

Lake of the Woods is an intriguing maze of islands, channels, and coves. Discover your own secluded beach to swim and relax, away from everything but the plop of a fishing line and the call of the loon, or leisurely explore the rocky cliffs for ancient Indian rock paintings, and the secluded islands for abandoned gold mines.

Magnificent bald eagles and white pelicans are often spotted, as are bear, moose, deer, beaver, otter, geese and ducks. And the fishing is fantastic! Walleye, northern, bass and muskie are abundant.

Despite its wonderful complexity, the lake is well charted, making navigation easy. So, for a vacation to suit the family, the sportsman, or the person just wanting to relax and sightsee, try a Houseboat Adventure on beautiful Lake of the Woods.

Just you, family and friends... and Mother Nature.

Shoal Lake is one of the best Smallmouth Bass and Northern fisheries in Northwestern Ontario and is accessible by a narrow channel from Lake of the Woods. With its crystal clear water and unsurpassed fishing, Shoal Lake is truly a sportsmen's paradise.

Because it is not as well charted as Lake of the Woods, a guide is required to move the houseboat and travel may be limited to certain areas. Because of this, the majority of the lake has remained untouched and has evaded many a fisherman. (Other restrictions and costs may apply to houseboats wishing to travel to Shoal Lake)

You never told me fishing was *this* easy

an unforgettable vacation...

Upon receipt of your deposit, beginning in March, we will send you our confirmation package (which includes a map of Lake of the Woods), an operators manual, and a check list to help you plan your trip.

- If this will be your first time on Lake of the Woods in this area, we

will spend time acquainting you with use of the navigation buoys, the maps and to make sure your vacation gets off to a good start.

- All houseboats are equipped with VHF communication radios for contact with our base, and your own cell phone can be used as a backup in case you get into an area with poor reception as well as for 911 emergency calls.

- Our boats are completely equipped to Coast Guard safety standards and have child resistant railings to take the worry out of having small children on board.

- On Wednesday, we make a 50 to 70 mile service run on the lake. If you are on the run, we will deliver any extra supplies you may need (contact us on the radio/phone to place your order), or just to stop by to say hello and answer any questions you may have.

- We are float plane equipped to shorten the response time in the event of a mechanical problem or emergency.

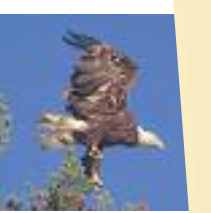

...with unbeatable value.

our mission statement

"To provide clean, mechanically sound and up to date houseboats with prompt and courteous service."

our guests say it best...

Dear Jeff,
On behalf of our group I just wanted to say "thanks again" for the great get away you provided for us on the houseboat last week. We had a tremendous time.
Our group of three or four couples have been houseboating together for one week each summer for about ten years now but this was the first year we chose to make our trip through Houseboat Adventures. We couldn't have been more pleased! We had begun to take it for granted that while taking our vacation on a houseboat was a wonderful way to "get away from it all", enjoy each other's company and to get in some good fishing we had also come to expect that the equipment that weren't very cold, and refrigerators that were prone to breaking because through the years we have received service and condition of the equipment our appreciation even greater for you. We thoroughly enjoyed having a boat filled with the kinds of amenities that refrigerators, a microwave oven, a water heater that provided hot water. Our boat was absolutely clean and received before we left the dock. I know that no one can guarantee enjoyment but I do feel confident in reality. We appreciate it and the waters of Lake of the Woods prepared boat filled with cold and pleasant. You and the staff please feel free to have the

Dear Jeff & Lorelie,
I want to say it's been 2 weeks since our family was on our houseboat adventure. We had a wonderful time making memories on the beautiful Lake of the Woods.
You were wonderful hosts. You have a great varied voice - it reminds me of your always smiling! We loved the boat, especially how nice & immaculate it was. Please tell about housekeeping. Don't what a great job they do. We appreciated it.
Thank you again.

Dear Jeff & Crew -
Thanks so much for the preparation to make Bill & Margaret's 50th birthday celebration such a wonderful occasion. It is appreciated by the entire group. We had a great week and wish you a beautiful summer. On behalf of the entire fishing group. Thanks again.

100th Birthday celebration Congratulations Bill

we supply...

Fully modern, clean and well equipped houseboats. The kitchens are equipped with pots, pans, cutlery, dishes, dish towels/cloths, microwaves and cleaning supplies. They have oven/stoves, refrigerators with separate freezers, (two 8 cu. ft. refrigerators on 49' and one 20 cu.ft. on 58' and 68') Sheets, blankets, and pillows are supplied for the beds, but we suggest bringing a sleeping bag for spring and fall rentals. The bathrooms have sink, toilet, and a shower for which we supply face cloths and bath towels. We have TV/DVD, deck chairs, life jackets, navigation maps, large ice coolers, and 120 volt generators with separate high capacity battery chargers (for charging houseboat batteries when on shore). The 49', & 58' have two battery chargers. **All houseboats have a DC to AC power inverter to provide electrical power for your own portable stereos** eliminating the need to run the generator for this purpose. (Backup batteries are recommended for beach use.)

you supply...

Food, beverages, personal gear, paper products, fishing tackle, portable music system, and a crew of people ready to have a fun filled vacation.

Please note: We do not supply AM/FM radios.

some of our special features

Our 49', 58' & 68' houseboats all have the main living area facing the rear of the houseboat which allows you to enjoy the view of the lake at all times, especially the time that you are moored on shore, (about 80% of your trip). The front area is designed as a private stateroom during the evening, while not restricting its use during the daytime for other activities such as cruising, card room or kids room. The 49' and 58' all have stainless steel fish cleaning stations with wash down hose, aerated minnow tanks, a fuel station to refill your outboard motor tanks, and dual battery chargers which allow you to charge the houseboat batteries without running the main engine.

- The 49', & 58' houseboats both have a 10' x 12' sun canopy on the top deck which allows you to enjoy the outdoors when you find the sun too hot. This is the perfect spot for dinners.
- The 44' & 68' houseboats feature a water slide for lots of family fun.
- The 68' and 58' both have a full 110 volt electrical system and a 20 cu.ft. electric fridge. The 68' also has a dishwasher.

Additional costs

Fuel/Propane is the expense of the charterer and must be paid at the end of your vacation (average \$150/week). All rentals include one 14' Aluminum Fishing boat (motor extra). The 14' boat may be upgraded to a 16' LUND - \$50.00/week \$10.00/day, depending on availability.

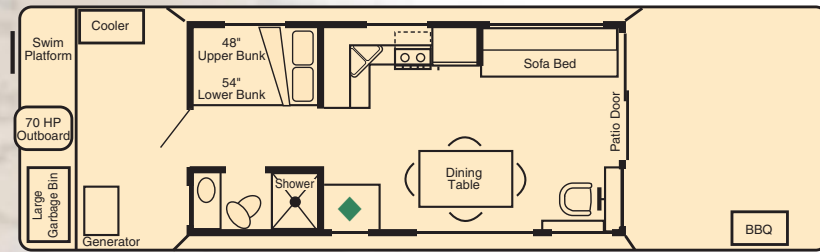

There is a \$75.00 surcharge per pet. For safety reasons we require that the fishing boat has a motor (20 HP minimum on 49', 58' & 68' and 15 HP minimum on 40' & 44'). The charterer may bring his own, or rent one from us. You may also tow your own personal boat and motor, if you prefer.

The reason for the extra boat is that in the event of an emergency you have the ability to do something about it immediately. **Note:** Having an extra boat along also makes exploring, fishing and touring more enjoyable!

*If you are planning to bear hunt during your trip there will be a Hunting Services Charge (for baiting) per hunter of \$360 Cdn / \$360 U.S. (Min. charge \$1300 Cdn).

Cleaning - All houseboats are supplied clean and must be returned clean. An extra charge will be applied for boats returned unclean Those charges will be, 40ft. (\$125), 44ft. (\$175), 49ft. (\$200), 58ft. (\$275), 68ft. (\$350).
